Senior Manager: Supply Chain and Contracts Management

The Wholesale and Retail Sector Education and Training Authority (W&RSETA) seeks to employ a **Senior Manager: Supply Chain and Contracts Management** on a 12-month **fixed term contract**. The incumbent will report directly to the **Chief Financial Officer (CFO)** and be based at the Head Office in Centurion.

Grading: (Role Band: D4)

Salary: R 1 171 719

The role of this position is to:

To lead, the Supply Chain Department within W&RSETA to support the strategic objectives of W&RSETA as well as to comply with the Public Finance Managing Act (PFMA), this includes all Treasury Regulations; Preferential Procurement Policy Framework Act; overseeing all activities relating to Procurement Committees. To ensure that all W&RSETA contracts are properly managed, legally sound, do not expose W&RSETA to any unnecessary legal issues and that W&RSETA gets value for money on all its contracts.

Key Performance Areas will include but not limited to the following:

- Relationships developed and enhanced to optimally service business needs in accordance with W&RSETA strategic plan and taking cognisance of all stakeholder and legislative requirements
- Advise Management on compliance related issues, provide guidance as per client request and in accordance with developed Standard Operational Procedures (SOPs)
- SCM strategies developed, compliant and supportive of NSDS and W&RSETA strategic business plan
- Strategy implementation monitored, measured, reported on, corrective actions recommended and implemented
- Advise Management regarding appropriate actions and steps to support strategy roll out and complying with PFMA
- Relevant policies, procedures and systems identified, developed or reviewed and implemented as required in accordance with legislation and best practice.
- Quality Management System (QMS) implemented, monitored and functioning optimally in the department
- Supply Chain strategy implemented and aligned with W&RSETA strategy and legally compliant e.g., BEE requirements.
- Ensure that contracts are drafted in compliance to the best legal practice and principles in line with all other applicable legislation.
- Statutory reports compiled and submitted in accordance with legislative requirements, on time, complete and accurate
- Management reports compiled and submitted in accordance with business requirements
- Financial control measures developed, implement and monitored, corrective action taken to ensure audit compliance, adhering to good governance principles and the PFMA
- Oversee the effective running of the supply chain unit to ensure compliance and enhanced service delivery
- Oversee the effective running of the contracts management unit, ensuring that the legal contracts are vetted, aligned to the TOR, in compliance to laws and regulations
- Provide support to the contract management process and give guidance where required

- Provide support to end-user departments to effectively manage their contracts and performance of the service providers
- Budget developed meets requirements in respect of strategic roll out and set in accordance with PFMA and other guiding legislation
- Monthly budget monitored, variances identified, reported and rectified as per W&RSETA financial guidelines
- Cost benefit analysis carried out and expenditure optimally structured
- Capacity building and information sharing initiatives implement and carried out against objectives and as per client requirements
- Team performance managed as per performance contracts and set targets
- Team developed and appropriately skilled to perform optimally
- Other departments engaged to adhere to relevant policies and procedures in the utilisation of support services to ensure good governance
- Keep up to date with latest job-related information by attending short courses, workshops, reading, visiting websites and engaging with peers to broaden knowledge

Minimum Qualifications and Experience

- Minimum Qualification Requirement: Bachelors Degree in either Commercial Law; Accounting/Finance Management, or Supply Chain Management.
- Ideal Qualification Requirement: Postgraduate in Commercial Law; Accounting; Accounting or Finance Management; Supply Chain Management Qualification.
- Over 6 years in total at a senior management level, developing and maintaining controls & policies in Supply Chain Management.
- Experience Required: Supply Chain Management Experience and/or Contracts Management Experience.

Instructions to applicants.

- All applications must be accompanied by certified copies of the ID and all educational qualifications, and they should not be older than 6 months.
- Applications received after the closing date, will not be considered.
- The Wholesale and Retail SETA reserves the right not to make appointment(s) to the advertised post(s).
- The organisation will give preference to candidates in line with the Employment Equity goals.
