### **Appointment of the CEO**

I am pleased to announce that the Minister of Higher Education, Science and Innovation has approved the **appointment of Mr. Tom Blessing Mkhwanazi** as the W&RSETA CEO for the period up to 31 March 2025.

Please join me and the Board in congratulating Mr Mkhwanazi in his appointment and in wishing him a successful and fruitful tenure as he takes the organisation to another higher level of performance.

### **2019/20 Performance Results**

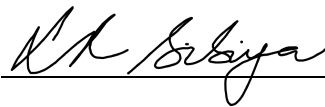

I am also pleased to announce that the performance at the W&RSETA improved from 32% in 2018/19 to 67% in the year under review against our Annual Performance Plan. The Board is pleased with this performance which is accompanied by receiving an unqualified report from the Auditor-General of South Africa (AGSA) for the 2019/20 financial year. This represents a significant progress after last year's performance and qualified report. This is a step in the right direction, endorsing our combined efforts at ensuring that the W&RSETA is on track towards becoming the country's leading skills authority through sound governance and administrative controls.

On behalf of the Board I want to thank staff and management, under the dynamic leadership of the CEO, for working long and hard hours to help us turn the Wholesale and Retail SETA around. This achievement is certainly something to be celebrated when we consider the past historical performances,

I hereby also re-iterate our full support as the Board and wish that he will get the same support and commitment from all W&RSETA stakeholders.

Yours sincerely
