RE: DISCRETIONARY GRANT 2023/24 and 2024/25 FUNDING WINDOW FOR SPECIAL PROJECTS

Dear Valued Stakeholder

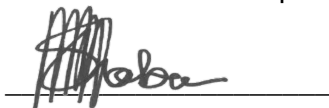

The Wholesale and Retail SETA (W&RSETA) opened a Discretionary Grant Funding Window for partnership and/or special project proposals that aim to address key priority skills areas identified in the W&RSETA Sector Skills Plan for the 2023/24 and 2024/25 financial years. Submissions for the funding window closed on 30 September 2023.

The W&RSETA wishes to inform applicants that the process of evaluating all applications is still underway and the outcome thereof will be communicated by 15 February 2024.

Furthermore, the W&RSETA informs applicants that successful proposals for strategic partnerships will form part of a **panel** that will be considered by the SETA for implementation based on operational requirements and budget availability.

The W&RSETA appreciates your patience and understanding during this process.

Yours in skills development,

Sipho Shoba
