Subject: Pre-2009 last date of enrolment extension

The purpose of this letter is to provide further clarity following DHET Directive on the implementation and transitional arrangements for pre-2009 Qualifications, Gazetted on the 3 June 2024.

All W&R SETA primary SDPs accreditation that are about to lapse should liaise with their respective QAs in their respective provinces to apply for an extension of their qualifications enrolment end date before expiration of the accreditation license.

It is important to note that because all pre-2009 qualifications expired in June 2023, there will be no new accreditation of SDP for these qualifications but rather enrolment of learners as per extension granted as per circular dated 2nd July 2024.

SDP's that intend to apply for extension of their qualifications enrolment end date will be monitored as per our Accreditation and Monitoring and Auditing policy.

For further clarification, please contact our QA in your respective province and/or Sipho Khosa at skhosa@wrseta.org.za

Yours sincerely,

Sipho Shoba
