

Dear Stakeholder,

The W&RSETA invites all **W&RSETA employers, business associations and training providers** to the 2021 annual SSP consultation sessions. The SETA will interact with stakeholders to solicit input on critical skills development, the economic and labour market and what should be done to strengthen and grow the sector. These will translate into national and provincial skills priority plans that will be implemented by the W&RSETA.

Participation of key role players will ensure that the W&RSETA develops an SSP that reflects the skills priorities of the Wholesale and Retail Sector and allocates funding to address these priorities.
