We acknowledge your request for the extension of the bid. The W&RSETA BSC will consult with senior managed for the possible extension of the bid.
2. Are we expected to bid per price delivery per province?	Please bid per price item as per the Annexure A Speciation document and not per province. Therefore, upon request per furniture requirement, bidders will be provided an opportunity to quote per specification item inclusive of province requests.
3. In terms of finishes i.e., fabrics the cost will vary. Can we please get clarity for the furniture apart from the boardroom tables what range should be quoted for?	As per the specs, all wood surfaces to be pre-stained to a warm brown colour sealed prior to finishing off with 2 Coats of Satin Lacquer which is more on the Mahongy Vaneer.
4. Please provide clarity with regard to the repair and maintenance plan over the 5-year period?
